

Participative Management

A Clinical Summit presented by:

The Northwest Organization of Nurse Executives

featuring

Karen (Kathy) Reno, RN, Ph.D., MBA, BSN, EDAC

A nationally known speaker, consultant, and expert in the field of participative management.

Transformational Leaders
for Transformational Times

This Clinical Summit is presented to:

- Discuss the evolution of participative management.
- Evaluate various models of shared governance that support participative management theories.
- Plan participative management models that best reflect organization priorities.
- Employ a decision-making model that provides transparency to staff regarding their involvement in various levels of decisions.
- Examine the impact of labor management support for both Shared Governance and Magnet Recognition.

Please join us!
